

Luminis AiO

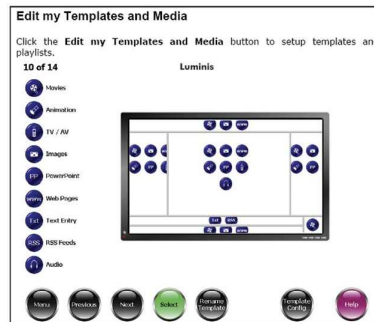

Digital Signage System

Clever Little Box's new Luminis AiO is the all-in-one solution for creating and running your own unique on-screen digital channel for enhancing communications and delivering eye-catching information.

Luminis AiO is straight out of the box and ready to use. It supports all Windows media file formats and allows you to create your own on-screen messages or play back web-based content.

Luminis AiO can be operated stand alone or can be networked and controlled remotely. Up to 100 Luminis 'client' players can be connected to your network.

Features:

- Fast and easy installation, up and running in minutes
- All-in-one plug-in and play solution
- Stand-alone or fully networked
- Simple and intuitive user interface
- Control locally or via web browser
- Use pre-designed display templates
- Design your own display templates

Play Back:

- Rich Site Summary (web feed)
- Still and moving images
- Video
- Flash animation
- Ticker tape messages
- Powerpoint
- Streamed images
- Web pages
